

2024 Laronde Craft Fair Info & Registration Instructions

Hello Crafting Families!

The Laronde PAC will host the Annual Laronde Student Craft Fair on December 18th from 2:30 -4:30pm.

We are excited to have this event return and look forward to seeing the amazing creativity of our Laronde students.

The following contains important information on how to register for this event. The process will be different from previous years please read carefully:

IMPORTANT DETAILS:

- All students from K to Grade 7 are invited to create individual crafts to sell to other students, parents and staff.
- **Parental assistance with the crafts is encouraged, but the crafts are to be primarily student made.**
- Students may work individually or team up to create and sell their wares.
- The maximum participants in a group is limited to 6 students.
- Students may keep all money earned from the sale of their crafts.
- Craft items are to be priced between \$0.50 cents to \$4.00.
- Parent permission will be required for participation.
- Parents will also be responsible for supervising and assisting their child during the event **including setting up at lunch on the day of the event and leaving their area clean at the end.**
- There will be a \$5 charge per participant to cover the cost of our table rentals. This means a group of two will pay \$10 and a group of 3 will pay \$15.
- All payment this year, will be through School Cash Online.
- Each vendor will have a reserved space of approximately 2.5ft to display their crafts; groups of 5-6 will get one of three 8ft tables.
- Registration for this year's Craft Fair, will be online via SignUp Genius, and will be on a first come first serve basis.
- Last day to sign up will be **December 6th.**
- Please remember to list the crafts that you are selling so that we don't put duplicate crafts at the same table. If you are working in a group, only one SignUp entry is necessary with one designated parent contact to act as a coordinator for that group, this should also be the parent who will be supervising on the day of the event.

- Parent contact information must be filled out as this will be used for all future communications for our crafters.
- All required questions on the SignUp must be answered
- Once your form has been submitted, there will be a charge on your School Cash Online Account, only pay this if your child is participating as a vendor in the craft fair. This must be paid by **December 6th.**

IMPORTANT: Food and beverage items will not be allowed to be sold at this year's Craft Fair.

There will be an opportunity to sell food items at another event in the Spring. However, this decision was made due to the amount of garbage that was left on the gym floor last year. This also allows our young crafters more opportunity to benefit from their hard work, without competing with cupcakes/candies etc.

Happy Crafting!
